BMT Mission

To provide unparalleled Project Management and Business training solutions both online and onsite by leveraging our extensive experience and RMC partnership to equip Military, Federal, and State Program/Project management professionals with the knowledge and skills necessary to excel in their roles and achieve PMP, CAPM, and PMI-ACP certification excellence.

BMT Goal

BMT Consulting provides high-quality, flexible, and affordable Project Management Training and Business Curriculum Development services to Military, Federal, and State employees both online and in person in the Virginia, Washington DC, and North Carolina area. As an RMC Certified Training Partner and RMC Certified Instructor, BMT Consulting specializes in preparing individuals and organizations for PMP, CAPM, Agile, and other crucial business and project management certifications. Leveraging over 30 years of combined experience, BMT Consulting offers live and online training options to meet diverse learning needs. Additionally, BMT Consulting provides exceptional and economic online business training videos and training programs for organizations to enhance their employee onboarding and corporate education process requirements to streamlining those processes.

In Focus: BMT Consulting LLC Announces Project management Plan Book Series for Sale.

We're proud to announce that BMT Consulting LLC has published 6 books of the 17 book series on the Project Management Plan for new Project Managers. This series breaks down each part of the Project Management Plan as a whole and how to Integrate all the Management Plans to successfully bring a project in on time, on budget and withing Scope.

Our Owner and Founder: James Brock

James Brock brings over 30 years of combined experience in leadership, project management, cryptology, and training development to BMT Consulting LLC. He is a highly respected leader and trainer with a proven track record of success in both the U.S. Navy and the private sector. he is also a member of the PMI-HR Education team and is the Director of Technology - Web.

After serving over 20 years in the Navy, retiring as a Cryptologic Technician Technical CTTC(AW) and Operations Chief onboard the USS Saipan (managing 115 Sailors), James transitioned his skills to the corporate world. As a project team lead at Leidos, he currently develops training plans for the Navy. James's experience also includes his pioneering role as an original member of the Tactical Cryptologic Support team, providing vital intelligence support to Naval Special Warfare Operations. He holds a BS in Business Management and a master's in management from the University of Phoenix. James is a CompTIA Security+ certified professional, a Project Management Professional (PMP) certified by the PMI, Google PM, and, critically, an RMC Certified Instructor and an RMC Certified Training Partner, demonstrating his commitment to providing the highest quality training available.

“We offer continuing education when you take any of our courses. We have a free Study Group and we will work with you until you take and pass your exam. Additionally, we also provide Paid Study Groups. These Study groups have everything the free groups have but we also do live training sessions three times a week and give you access to our advance Study Tools to help you focus and prepare for the exam.

BMT Consulting LLC Veteran Charity

BMT Consulting LLC proudly supports our Veteran’s Charity line through our BMT Apparel Etsy shop, where every purchase makes a direct impact. 100% of the proceeds from this collection go to the Annual Alger County Veterans Golf Outing, with funds distributed among the VFW, American Legion, Vietnam Veterans Association, and the Marine Corps League. It’s more than apparel—it’s a way to give back to those who have served while representing a mission that matters. Go to <https://www.etsy.com/shop/BMTApparel?ref=seller-platform-mcnav> to purchase your apparel now.

We have created three Exam Prep Study Apps.

Study smarter for your PMI certification—anytime, anywhere.

Our PMP Exam Prep Pro, CAPM Exam Prep Pro, and PMI-ACP Exam Prep Pro apps transform study time into real progress with PMI-aligned content, adaptive practice exams, scenario-based questions, flashcards, and performance analytics that pinpoint exactly where to focus. Developed by experienced project management instructors, each app features bite-size lessons, realistic exam simulators with detailed explanations, quick drills for busy days, and goal-tracking tools that keep you on pace and motivated.

Whether you’re mastering PMBOK® domains for PMP, building a strong foundation for CAPM, or strengthening your Agile mindset for PMI-ACP, these apps provide a structured path from first practice to exam-day confidence—on your mobile device and on your schedule.

Trademark notice: PMI, PMP, CAPM, PMI-ACP, and PMBOK are registered marks of Project Management Institute, Inc. These apps are aligned to PMI best practices but are not affiliated with or endorsed by PMI.

BMT Consulting Video Library
